

## Omega 42 Seriana for sale!

Dear Omega 42 friends,

I want let folks know Im selling my 1981 Omega 42 in the USA.

Its on Yacht world- Seriana ( formerly Pegasus, imported used from Finland by the previous owners)

I've loved it and completed a full interior and exterior renovation of it over the past 8 years. No expense was spared. Ive cruised it and raced it extensively, winning the overall 2019 Bermuda 1-2 solo race Newport to Bermuda.

It has full sets of cruising and racing sails, all current electronics, a new mast, mostly new hardware, new decks, new algrip topsides, and is ready to go.

Its in the water in Miami which is a good port to ship from, and Id consider a price concession to help with shipping.

The listing broker is experienced with international shipping.

Feel free to ask me any questions directly.

Best regards to all.
